Christmas Greetings!

The sun is lower in the sky and the days are shorter. The twinkling lights on the Christmas decorations are letting us know that the beginning of winter is near. To us who know the "reason for the season," it is a time of thankfulness that the Lord made the provision for salvation to be extended to those outside of Abraham's family. I pray that you, your family and church family have a wonderful time celebrating the birth of our Lord.

Personal...

In June I had emergency surgery to reattach the retina in my left eye. My eye has healed but my vision remained blurred. In the process of healing, my eye grew a membrane over the center part of the retina which causes considerable distortion I will be undergoing another surgery to correct the distortion problem on December 20. I want to thank you for your prayers and support during this time.
